## Employer Annual Bus Pass Program

### PassFort Pass Program

PassFort is an employer-based bus pass program that enables employers to purchase discounted annual Transfort bus passes. This benefit is available to all Chamber of Commerce member businesses regardless of the size of the company.

Pricing for these passes is \$50 per pass, a 68% savings off the regular Adult Annual Pass (\$154). Passes are valid for one year from date of purchase and allow the holder unlimited bus rides on Transfort's fixed route buses.

**Businesses don't need as many parking spaces when employees ride Transfort to work. Think of all the additional spaces available for your customers!**

### PassFort's Partnership With Climate Wise

Climate Wise is a city-run program dedicated to helping local businesses tackle modern-day challenges that impact bottom lines and the quality of life in Fort Collins. Transfort staff serve on the Climate Wise Team to assess transportation issues and promote transit use for commuting to work.

Transfort offers PassFort ridership data to area businesses that participate in both the PassFort and Climate Wise programs.

To learn more about Climate Wise, visit [www.fcgov.com/climatewise](http://www.fcgov.com/climatewise).

### Additional Services

For those employers who record and track the names of their employees receiving passes, three additional PassFort services are offered. Contact Transfort for more details.

#### 1. Guaranteed Ride Home Service (GRH)

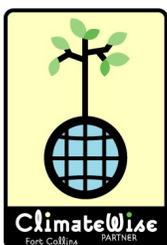

GRH is a reimbursement service for the cost of taking a taxi home, in emergency situations, if the employee used Transfort to commute to work on the day of the emergency.

#### 2. Pass Usage Reports

Reports highlight the frequency of pass usage on Transfort buses. This service allows employers to: see the value employees receive from carrying PassFort passes, see carbon dioxide savings (CO2) & vehicle miles traveled savings (VMT).

#### 3. Pass Deactivation and Replacement

Transfort will deactivate any pass number upon an email request from employers to do so. This allows employers to cancel passes held by workers that leave the company and prevents a lost pass from being used by someone else.
