FOR IMMEDIATE RELEASE

Transfort Routes 9 and 10 to Resume October 26

FORT COLLINS – Transfort, the transit agency owned by the City of Fort Collins, will resume service on bus routes 9 and 10 on Monday, Oct. 26.

Routes 9 and 10 were suspended in April as part of other service suspensions. Route 9 departs from the Downtown Transit Center to Poudre High School via Vine Drive, Overland Trail and Laporte Avenue. Route 10 departs from the Downtown Transit Center to the CSU Transit Center via Laporte Avenue and Mulberry Street.

Route 9 will operate once per hour from 6:15 a.m. to 6:38 p.m. Monday through Saturday. Route 10 will operate once per hour from 6:45 a.m. to 7:08 p.m. Monday through Saturday.

Transfort recognizes that some community members rely on buses as their primary mode of transportation and the agency is working toward resuming service throughout the entire transit system. Determining the order in which routes are reinstated is informed by historical ridership data, public outreach and input, operational sustainability, public safety guidelines and other factors. Routes that remain suspended are 11, 12, 19, and GOLD.

All residents can schedule a taxi trip to or from a bus stop along a route that is suspended, or to or from another linked bus stop or transit center. There are no fares associated with these taxi trips at this time. This service is available Monday through Friday from 7 a.m. to 7 p.m., and Saturday and Sunday from 8 a.m. to 7 p.m. Taxi trips must be scheduled the same day the trip will be taken and can be scheduled by calling 970-225-4831. Call center hours are Monday through Friday from 5:30 a.m. to 8 p.m., and Saturday through Sunday from 7:30 a.m. to 5 p.m. The taxi service will not be available on the FLEX route.

All Transfort services continue to be fare-free under an emergency order signed in March. Face coverings are required on all Transfort buses.
